

JUMPstart

Short-Term Services
to Give You a *Boost*

DO YOU SERVE

Albany residents hit hard by the recent pandemic?

ARE YOUR CLIENTS STRUGGLING WITH:

Health • Housing • Utilities • Transportation • Safety

Let's give them a **JUMPstart**

JUMPstart services from Northern Rivers provide a short-term, concentrated jolt of **hands-on, practical assistance** to help **ALBANY RESIDENTS** address social determinants of health.

Our supplemental 6-week intensive services:

- break down barriers
- connect people to resources
- build a foundation for future success

Our **COMMUNITY RESOURCE ADVOCATES** will:

- Assess immediate support needs for health, safety, food, food stamps, furniture, and other community support
- Team with existing community resources to meet concrete needs such as food, shelter, accessing public assistance, Medicaid, transportation and more
- Provide respectful, client-directed support to facilitate specific outcomes

For more information, see the Northern Rivers' website at
